PROFESSIONAL SUMMARY

Web developer with hands-on experience building Django REST Framework backends, JWT-authenticated APIs, and full-stack applications that connect to React front ends. Completed NSDA-accredited training in Python web development and currently continuing advanced coursework in Django and freelance-ready web design. Comfortable across the stack from data modeling and API design to deployment, with three shipped, publicly deployed projects. Seeking a Web Developer Internship (Python/Django, with basic React) to contribute to a production codebase and grow under experienced engineers.

TECHNICAL SKILLS

Languages: Python, C, HTML5, CSS3

Backend & APIs: Django, Django REST Framework, REST API design, PostgreSQL, MySQL, SQLite

Frontend: Bootstrap 5, HTMX, React (API integration basics), Responsive Design

Auth & Security: JWT Auth, OAuth, Basic Auth, Role-Based Permissions

Performance & Infra: Redis, Celery, Django Cache, Docker, Gunicorn, Basic VPS Deployment

Tools: Git, GitHub, VS Code, Postman, Thunder Client

SELECTED PROJECTS

Job Portal 2026

[Live](#) | [GitHub](#)

- A full-stack job board where employers post listings and job seekers apply — built with Django, with separate authentication and dashboards for each user role.

Quiz Management System 2026

[Live](#) | [GitHub](#)

- Built a Django web application where users sign up, create quizzes, and participate in existing ones, with automated scoring and performance tracking.
- Implemented user authentication and an admin dashboard for quiz and result management.

Portfolio & Resume Builder 2026

[Live](#) | [GitHub](#)

- Built a dynamic portfolio and resume-generation platform with user profile management, responsive design, and file export/download — this resume was produced with it.

Additional Practice Projects: Cash Management app (secure expense/income tracking), StudyHub, Calorie Counter, Task REST API with documentation and a connected frontend, and CRUD/authentication demos — built to practice Django, DRF, and API design fundamentals.
